

## A MESSAGE FROM THE DIRECTOR

A lot has changed at Ascend 7 over the past few months. For a start, we have great new people joining our Design team:

- Michael Mammerella – junior internet developer
- Natalie Farrow – office administration
- two new designers will be joining us in the next few weeks.

We recently said farewell to Heather Brick, our accounts coordinator, who is moving on to other ventures with her husband's business.

But perhaps our biggest change has been the farewelling of Linda Dawson, who is taking up a human resources leadership team role with FMG. Her team of Rob Eastwood, Stuart Ballard and Sue Porter will also finish up with Ascend 7 in the coming weeks.
