

Ascend 7 has partnered with a new hosting provider and Content Management System (CMS) to replace Adobe Business Catalyst (BC) before it is retired in 2020.

The new system matches all of the important functionality of Business Catalyst, but it is easier to use and maintain, includes SSL security, a basic online store and integration with a wide range of add-ons.

<b>Switch Now &amp; Save</b>  Save 10% by switching before your next BC renewal  <a href="#">Contact Ascend 7 to find out more</a>	<b>Easy to use Website Editor</b>  \$495 / year paid annually

#### MOBI2GO

An integrated online & mobile ordering system made for hospitality. It reduces wait time & encourage customer loyalty.

### Calendar

#### GOOGLE CALENDAR

With Google's free online calendar, it's easy to keep track of life's important events all in one place.

#### UPTO

Create a beautiful web calendar for your business or organization. UpTo brings your calendar to life and allows you to easily add events, without an IT department.

#### TOCKIFY

Create and customize a modern attractive Website Calendar. Add it to your website or use it standalone. It makes a great mobile web calendar too.

### Social Media

#### FACEBOOK

Facebook lets you do a lot: posts, photos, videos and more. Users connect with businesses by "liking" those businesses' Facebook pages.

#### TWITTER

Twitter limits its posts to just 140 characters, so messages are rapid-fire and quippy.

#### LINKEDIN

LinkedIn caters for professionals and holds a strong niche position in the B2B (business-to-business) market.

#### GOOGLE+

Google+ integration with Google and has positive spin-offs for other handy Google services like Google Places for Business.

#### PINTEREST

Pinterest is a visual discovery tool that you can use to find ideas for all your projects and interests.

#### YOUTUBE

Share your videos with friends, family, and the world.

#### INSTAGRAM

Instagram is a photo-sharing site, which makes for a fun way to give your followers a behind-the-scenes glimpse of your business.

### Other

Image editing	Design	PDF viewer
